# TERA15 HE WIDE

*HIGH WIDE VIEW AREA,  
COMPACT FOR SIZE,  
HIGH VERSATILITY,  
INTEGRATION FLEXIBILITY*

TERA15 HE WIDE is the new widescreen display with an 8:3 aspect ratio, an ideal solution for off-highway environments that require wide visual space but with a compact and rugged design. Its high versatility in applications, wide horizontal viewing area, and user interface systems make it an excellent choice for HMI systems in cab. It enables a more detailed view of tables, graphs, maps, or graphical interfaces without compromising visual quality.
