D100 HE

FULL DIGITAL DISPLAY RELIABILITY & RUGGEDNESS

NEW

The COBO D100 has been renewed with a 2.8" TFT display, fully configurable and programmable. Designed for the off-highway market, it ensures fast and intuitive control thanks to the innovative rotary dial and 2 pushbuttons, delivering precision and ease of use even in a compact format.

With up to 8 customizable LED indicators, high resolution, and VT3 programming, the new D100 is the solution that combines design, functionality, and reliability for today's and tomorrow's applications.

2.8" DISPLAY
+ ROTARY DIAL
