HEADQUARTERS

DUAL BEAM

WORKLAMP

A large, stylized version of the COBO logo, featuring the word 'COBO' in white, bold, sans-serif font, flanked by two circular icons containing interlocking rings, set against a dark blue background with a large, light blue circular graphic element.

DUAL BEAM

WORKLAMP

DUAL BEAM worklamp

VERSATILITY

DUAL BEAM worklamp:
Developed to deliver powerful,
uniform illumination in any condition.

Features three operating modes:
flood, spot, and combined
for optimal coverage tailored to every requirement.

TOP PERFORMANCE

Best-in-class adaptive worklamp, with three operating modes:

1. *Flood*
2. *Spot*
3. *Combined*

3.600 Lumen raw maximum

Wide and deep beam

Wide operating voltage range (9–32V)
and temperature range (-30°C to +70°C)

Color temperature 5.500K

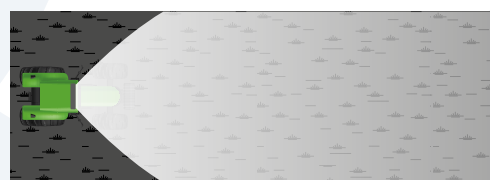

Very long life ("infinite")

Over-temperature protection
with linear intensity drop derating

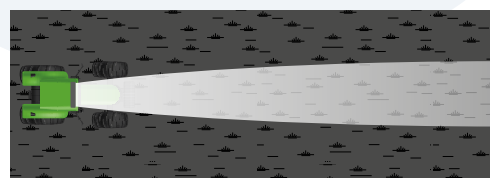

Overvoltage and reverse polarity protection

IP Grade: 67 + 69K

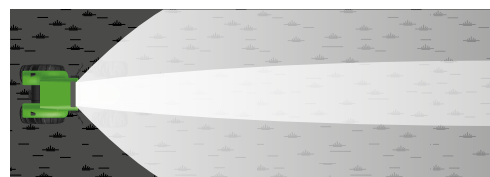

State-of-art EMI/EMC compliance

FLOOD

SPOT

COMBINED
